

SPECIAL CUSTOMS/TRADE/FTZ RECEPTION AT THE NAFTZ ANNUAL CONVENTION

We are pleased to announce that the firm will be conducting a special reception exclusively for our clients during the NAFTAZ Annual Convention in Palm Beach, Florida. We have reserved the Gulfstream Room IV for Monday evening, September 22, from 7:00 to 9:00 at The Breakers Hotel. We will be providing hors d'oeuvres and beverages. In addition, members of our firm will provide current information on a wide range of import, export, trade security, and foreign-trade zone topics. Breaking issues will be covered, such as "10 + 2" advance data elements implementation, the proposed changes in Customs origin marking rules, proposed new FTZ Board Regulations, the FTZ-FTA parity legislation, e214 issues, QP/WP, and other FTZ operational issues.

We encourage you to attend the NAFTAZ Convention. If you have not yet registered to attend the convention, copies of the [program and registration form](#) can be found on NAFTAZ's website. The NAFTAZ program is much more extensive this year. We believe you will find the convention informative.

In order to facilitate arrangements and ensure that we have adequate space and food available, please e-mail confirmation of your attendance to Kelly Hall at <mailto:mkhall@millerco.com> by the end of business on Friday, August 28. Your e-mail should note your name, company name, and FTZ number, if applicable.

We hope that you will take advantage of this benefit provided exclusively by our firm to our clients during the NAFTAZ Convention. We look forward to seeing you at Palm Beach and our continuing relationship.
