

NO CHARGE SEMINARS 2008 SCHEDULE

Foreign-Trade Zones Training – January 23rd/24th & July 15th/16th

The training agenda for FTZ Operators covers topics that are relevant to individuals who are new to the FTZ program, as well those who have been involved in the FTZ program for some time. The program is tailored to the two (2) different inventory management systems: a unique identifier number (UIN) system and a zone lot number (ZLN) system. Individuals in our organization currently involved in foreign-trade zones will conduct the training.

Import/Export 101 – February 19th/20th & August 12th/13th

The broadest of our sessions, this seminar provides detailed information on a wide range of import and export issues, including: entry and export processes; classification; valuation; special trade programs (NAFTA, FTAs, TIBs, etc.); origin marking; export screening; accurate document completion and statistical analysis; and audits. Individuals in our organization currently involved in import and export issues will conduct the training.

Customs/Trade/Export/FTZ Developments – September 22nd

A special reception has been scheduled for Monday evening during the annual NAFTAZ conference in Palm Beach, Florida. The reception will be held in a private reserved room at the hotel. Topics will include updated information on a wide range of Customs/Trade/Export and Foreign Trade Zone issues.
